Hon James A. Seddon
Secretary of War.
Sir

I have been requested by Capt. Louis D. Defontaine, who has been acting on the staff of Brig. Gen. H. S. Walker commanding S. Mil. District of South Carolina and Georgia recommended by his chief for an appointment in the Department of the Adjutant General, and I have written & given my testimony in his favour.

I have frequent opportunities during the sittings of our Court at the Head Quarters of Gen. Walker at Pocotaligo in the months of 1862 of observing the manner in which Capt. Defontaine discharged his military duties, and from his unfailing energy, his constant application to the work and his accurate knowledge he evinced on every subject relative to the matters under his charge, I have the perfect confidence that he will discharge the duties of any office to which he may be appointed, with credit to himself and entire satisfaction to his superiors.

[illegible]

Sir

I received yesterday your letter of the 15th inst. enclosing a petition from sundry citizens of Cincinnati for the establishment of a Post Office at Mount Pleasant on the Ohio River, and requesting that the mail may be conveyed through that place. I would gladly afford the accommodation so desirable to the people of Mount Pleasant, but the law requires that the mail shall be carried on the most direct post road between the offices on the route, and I am not authorized to vary from it.

I am sorry that I cannot comply with the request of the Petitioners, but I have no discretion in the matter. The mail is carried by the contractor from Cincinnati to Wheeling, and I have no power to change the route.

I am, Sir, very respectfully,
Your obedient servant,

General

We have the honor respectfully to address you upon a subject of deep interest and importance to the Merchants and Citizens of the Western section of your extensive Command. The events which transpire from time to time, have produced no inconsiderable excitement among the Merchants of this City, and the Commercial interests of the Country are so deeply involved, that we feel it our duty to call your attention to the subject, and respectfully request that you will take such steps in relation thereto, as in your judgment may be necessary to protect the rights of our Citizens, and secure the safe transportation of the Goods and Merchandize now on the way to this City, and which are expected to arrive during the present season.

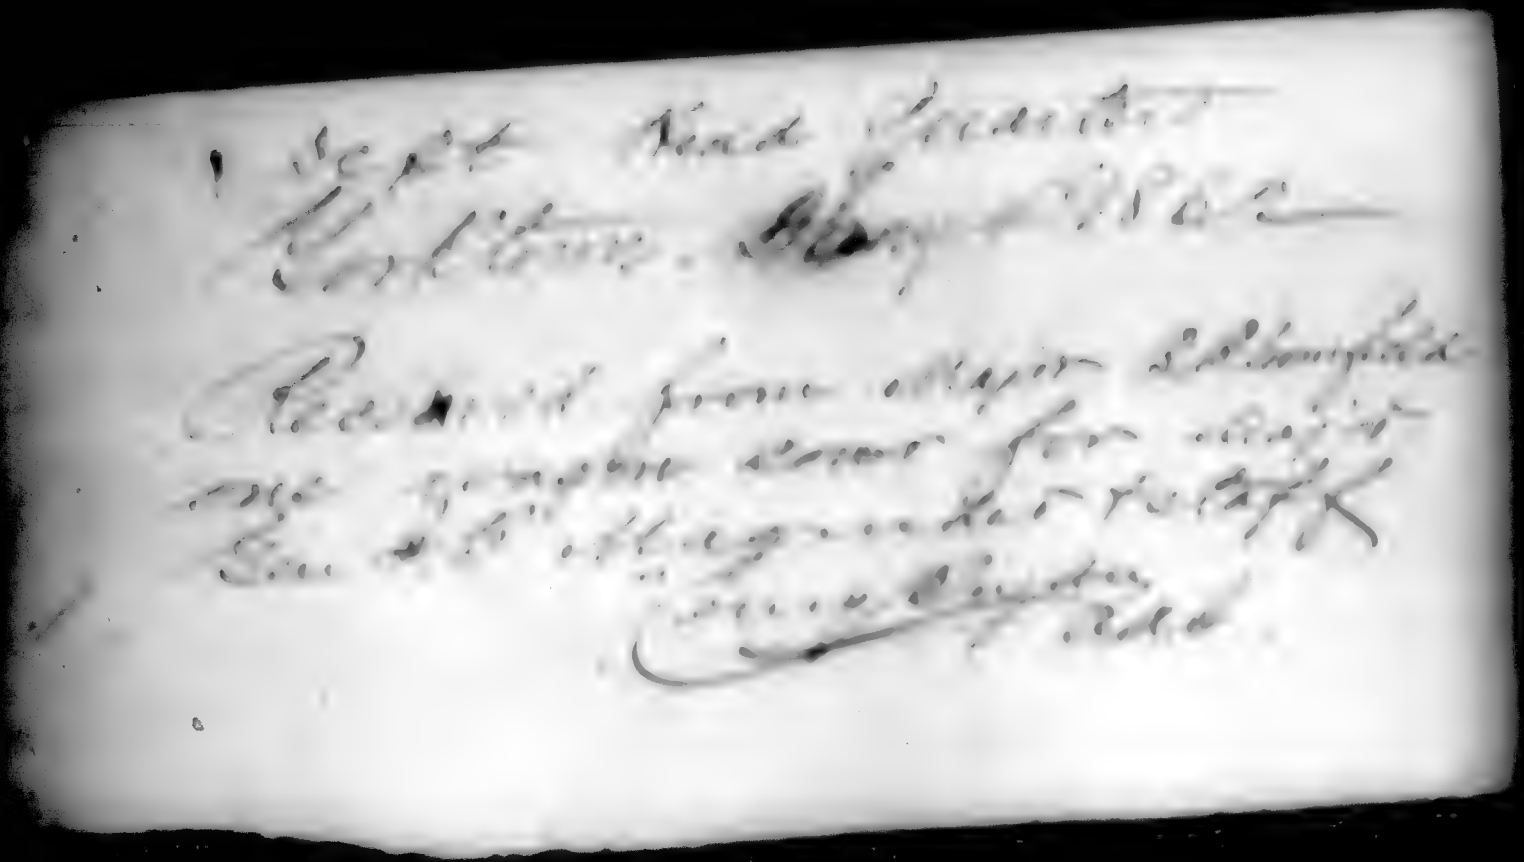

The Road from Independence Missouri to Santa Fe, is now literally crowded with Merchants and Traders, with their Waggons and Teams, and the Commercial intercourse between the United States and New Mexico, is now of such importance, that the protection of the Government is absolutely necessary, to secure the persons and property of our Citizens engaged in it.

The Indians inhabiting the Country through which the Road passes, have always been hostile to the Citizens of the United States, and have frequently robbed and murdered them, when unprotected by the presence of a sufficient force to secure them from danger. Many of the Indians are now in a state of open hostility to the United States, and have recently committed depredations upon the property of our Citizens, and murdered several of them. Under these circumstances, we feel it our duty to call your attention to the subject, and to request that you will take such steps as in your judgment may be necessary to protect our Citizens, and secure the safe transportation of their property.

We are Respectfully
Your Ob't Servts
